

The Achievers Programme (TAP) in association with London Science Forum would like to take this opportunity to invite you to **send your high achieving students in science subjects** to the London Science Forum, which will be taking place from **July - August 2017 at London**.

Highlights of the Program:-

The two week residential science program attracts over 450 of the world's leading young scientists, aged 17-21 years old, from more than 65 participating countries. Students attend as international prize winners, including top winners from European Union Contest for Young Scientists, INTEL ISEF, FAST Italy, National Youth Science Forum Australia, INTEL India, Beijing NGO, British Council Fame lab Egypt, Malta Student Science Forum and Ministry of Education Singapore to name a few.

All students attending must meet our minimum requirements:

- ✓• Aged between 17 and 21 years old - date of birth be between 25/7/1995 and 25/7/2001
- ✓• Students must have a good understanding of written and spoken English
- ✓• Students must be studying science and have achieved or be in preparation for taking exam qualifications for university entrance

The detailed day wise (Tentative) Itinerary along with costing can be viewed/downloaded online by following web link:- **Itinerary**.

In case you cannot view/download the same online, please let us know by return email on tapachieve@gmail.com, we will send it as an attachment.

As there are limited spots, students who register early will be given preference. The last date for registration is **3rd May, 2017**

For further details of applications process, please get in touch via return mail on tapachieve@gmail.com or call mobile +91 9814772221.
